1 Introduction

To fill one day

2 Culture

This chapter presents some of the cultural points presented during classes.

2.1 French words enter English language

3 Register

In academic writing, the **register** refers to the level of formality or tone used in communication. Choosing the appropriate register is essential to ensure our words suit a specific audience or context.

Table 1:

informal	neutral	formal
baby	small	

3.1 Exercise

Exercises 1 and 2 in Register (p. 70).

4 Countable and uncountable nouns
